TO OUR NEAT LEADER'S FAMILIES

WOW! We did it!

Despite this show being cancelled last March, just 6 days prior to its first performance, our NEAT Leaders stood their ground, fought through adversity, weathered the storm, and refused to quit! All with the knowledge that this show would someday hit a live audience!

It's rather simple really! When you are a

NEAT LEADER,

and you subscribe to the old adage that

“The Show Must Go On”, then....

the **SHOW MUST GO ON!**

*Since they're not the one's who actually *drove* their cars to NEAT for each & every class, we must give a huge THANK YOU to YOU, their parents, and to all family members who also believe in that same old adage!

So, despite the 15 months in waiting, the moment has arrived! Congrats to them!

So, without further ado...WELCOME!

Sit Back, Relax, and Enjoy our Show!
